

# 2018 Annual Conference

## Biometric Diagnostics in Dentistry: Milwaukee 12-14 July 2018

BioRESEARCH and Tekscan are proud to come together this year with a shared focus on objective measurement for the TMJ, craniofacial muscles, mandibular kinesiology, and occlusal timing/forces. We have been blessed to work with some of the top minds in the fields of TMD, restorative, orthodontic and OSA treatment.

- Chris Stevens
- Joseph Baba
- Michael Smith
- Curtis Westersund
- Steve Olmos
- AND MANY MORE!

Held in conjunction with

### BioPAK Operations Mastership Class

*With Greg Kamyszek & The BioRESEARCH Training Team*

Precourse Tuition: \$995

This is a 3-day hands-on experience where you'll learn how to collect and save BioPAK and T-Scan data. You and your staff will receive the same rigorous training that our field trainers experience prior to teaching others how to operate, maintain, and explain JVA, EMG, Jaw Tracking and T-Scan. Special emphasis will be given to communicating with the patient before, during, and after each procedure.

Tuition:

**Doctors: \$995**

**Staff: \$595**

To Register:

**Contact BioRESEARCH!**

**Brian Flanagan**

**+1 414 899-0219**

### Venue: Milwaukee Athletic Club

The MAC immerses you into the heart of downtown Milwaukee. Try the great restaurants, check out Jazz in the Park on Thursday night, have a drink at the Bastille Days festival, walk Brady Street, tour of one of our many breweries, or visit the Harley-Davidson Museum. There's plenty to see and do for everyone! We've even added a new street car for easy transportation around the city!

### Hotels In Area:

- Intercontinental 0.3 mi
- Pfister Hotel 0.2 mi
- Hotel Metro 0.1 mi
- Hilton Garden Inn 0.2 mi

**LIMITED ROOMS AVAILABLE!
